

What We Are About

We are a group of guys at Christ Church who get together to:

- grow spiritually through Christian Education or Book Discussion Group
- build lasting friendships by working side by side with other men on service projects
- just plain have fun hiking, boating, BBQ, football, Gwinnett Stripers (baseball), beer making, or team trivia at a tavern.

We are about flexibility and opportunities. We offer big and small *opportunities* for you to grow spiritually, help others, and have fun with a bunch of guys of like mind. Your *only* commitment is to read your email now and then to know what's happening. We know you can find *some-thing* that you'll really enjoy. If you are 16 years or older, you can be part of the group. Just contact one of the board members to get on the mailing list.

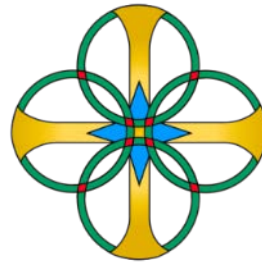

We're looking forward to meeting you!
